

Health and Safety Training and Management Statement

Health and Safety Training and Management

Training Responsibilities

Spotless Cambridge Ltd is committed to ensuring the safety of its employees, customers, members of the public and anyone else who are affected by our operations.

The company commits to operating in accordance with the [Health and Safety at Work Act 1974](#), [The Management of Health & Safety Regulations](#) and all other current applicable regulations and codes of practice, so far as is reasonably practicable.

The management will ensure that significant risks are assessed and suitable and sufficient measures are adopted to allow each employee/contractor to carry out his/her duties safely and without risk to health. Suitable equipment will be provided and maintained in a safe condition, and safe systems of work will be devised.

The company shall strive to achieve continuous improvement in Health & Safety performance.

Full Health and Safety Information can be found in the current Spotless [Health and Safety Policy](#).

Managerial Responsibilities

The company is owned and managed by Magdalena Lamming who is directly responsible for Health and Safety matters within the company. The responsible person will seek external assistance where necessary to ensure that the company meets both its statutory obligations and the objectives laid down in the Health & Safety Policy.

Spotless use *HS Direct Ltd 01284 747788* / www.hsdirect.co.uk for gaining help and advice with Health & safety matters where required. HS Direct provide full assistance and guidance with all matters relating to Health and Safety compliance.

Organisational Responsibilities

The organisation of the workforce is the responsibility of Magdalena Lamming, who holds the position of Director and who is responsible for ensuring that the company's Health & Safety Policy and associated procedures are implemented by all site operatives.

Day to day management of the company's operations is the responsibility of Magdalena Lamming who may be supported by general managers and site managers, each responsible for one or more sites or customer premises.

Depending on the size and nature of the site, the responsible person may be supported by one or more supervisors responsible for the direct supervision of the company operatives.

Health and Safety Training and Management Statement

Further information can be found in the current Spotless [Health and Safety Policy](#).

Assurance

All Spotless Health and Safety documents are written by IOSH and NEBOSH qualified safety professionals and all procedures adhere to HSG65 standards, as recommended by the HSE.

A list of current Health & Safety representatives can be found in the [H&S Consultant List](#).

Recognised Health and Safety Accreditation

Spotless is an ongoing member of the [Alcumus SafeContractorscheme](#) - Membership No: YC3144
