## Precautions & Controls

### General Precautions

The severity of the symptoms described will vary dependent on the concentration and the length of exposure

### Further Controls Required

### First Aid Measures

Inhalation Unlikely route of exposure as the product does not contain volatile substances. If spray/mist has been inhaled, proceed as follows.

Move affected person to fresh air and keep warm and at rest in a position comfortable for breathing.

Ingestion Do not induce vomiting. Give plenty of water to drink. Get medical attention if any discomfort continues.

Skin contact Wash with plenty of water.

Eye contact Rinse immediately with plenty of water.

Remove any contact lenses and open eyelids wide apart.

Continue to rinse for at least 15 minutes. Get medical attention if any discomfort continues.

Notes for the doctor Treat symptomatically.

### Spillage Procedure

Spillages or uncontrolled discharges into watercourses must be reported immediately to the Environmental Agency or other appropriate regulatory body.

Methods for cleaning up Small Spillages: Flush away spillage with plenty of water. Large Spillages: Contain and absorb spillage with sand, earth or other non-combustible material. Collect and place in suitable waste disposal containers and seal securely.

### Handling and Storage

Wear eye protection

Storage precautions

Keep only in the original container in a cool, well-ventilated place. Store away from the following materials: Oxidising materials.

**Disposal Considerations**

Discharge used solutions to drain. Small amounts (less than 5 Litres) of unwanted product may be flushed with water to sewer. Larger volumes must be sent for disposal by approved waste contractor. Rinse out empty container with water and consign to normal waste.

**Fire Prevention**

The product is not flammable. Use fire-extinguishing media suitable for the surrounding

Advice for firefighters Special protective equipment for firefighters  
Wear positive-pressure self-contained breathing apparatus (SCBA) and appropriate protective clothing.

**COSHH Assessment Comments**
